

# JUNE 9, 2019 NORALTA TRAINING DAY

## What is a 'Training Day'?

This **NEW** opportunity is geared towards skaters in STAR 6+ and Competitive categories. Over multiple sessions throughout this day, you will receive priceless knowledge & feedback directly from a guest Judge and Technical Specialist. **Right here on your home ice!**

As a participant, you will perform various elements as well as a full run thru of your program(s) for the *Monitoring Panel* (Judge and Technical Specialist) and be provided with tips/suggestions for improvement so that you can achieve your best score possible in the upcoming 2019-20 season! Skaters as well as Coaches will have the opportunity to interact with the Panel, directly, throughout the day. A discussion will also be held off the ice for Coaches, skaters and parents to help de-mystify the Judge's Panel at competitions! *Who does what? – Where do the marks come from? ....* And more!
