### **CanSkate and Pre CanSkate Parents**

**Please be aware of the following policies and procedures  
for CanSkate classes...**

~

- 1. We do not tolerate any form of abuse towards our staff. This includes treating a coach in a demeaning or depreciating way, yelling or being belligerent, and lack of respect. Skaters and/or parents who do not follow this policy can be removed from our programs.**
- 2. Skaters who misbehave in class will be given a time out. This is standard policy. If the behavior continues they will be asked to leave the class.**
- 3. Skaters are required to move with their groups and follow basic instruction.**
- 4. If your skater is not ready for our class we will let you know and issue you a pro-rated refund if necessary.**
- 5. Do not leave your skater unattended. Be sure there is an adult responsible for watching your skater present in the stands during class.**
- 6. In the event of a fire drill, you are not to take your skater. Skaters during a fire drill will be escorted by our staff to our muster point.**
